Watch the video again and fill in the gaps.

1 My *home town* is not big.

2 If you want a quiet place to relax, you can go to the *(big) park* .

3 There is no *indoor skate park* , so you can't go skateboarding when it's cold.

4 We sometimes go out to eat at a *restaurant* with my grandparents.

5 You can buy delicious food at the *fish and chip shop* or have a drink at the *café* .

6 The castle is a famous sight near the *seaside* and the *museum* is brilliant.
