16 Coasteering in Scotland: Sally's holidays

Transkript des Hörtextes

Interviewer: Now Sally, did you enjoy your holiday?

Sally: Oh yeah, I really had a fantastic holiday. We went to Scotland and we had a fantastic time. Only the weather wasn't that good. But we also did a lot of activities.

Interviewer: So what did you do? What was your favourite day?

Sally: On the best day we did some really cool coasteering. It was very windy and quite cold, too. But we climbed up the cliffs and then we jumped into the sea.

Interviewer: Was that difficult?

Sally: Not really. At least that's what I thought at first. But when I stood on top of the cliff I was a bit scared, well, not a bit. I was really scared.

Interviewer: So did you do? Did you jump?

Sally: Yeah. There was no going back for me. So, I jumped right into the cold Scottish sea.
