

## 1 Olivia's Holiday

**Interviewer:** Olivia, did you enjoy your holiday?

**Sophia:** Oh yes, I had a fantastic holiday. We went to Germany.  
In the first week, the weather wasn't so good. Our apartment was big, with a comfortable sofa and a big TV. We could watch films when it rained too much or play board games.  
In the second week, the weather was sunny, and we did a lot of activities.

**Interviewer:** What did you do?

**Olivia:** My brothers and I did a surfing course. It was great! The teacher was very friendly.

**Interviewer:** Are you a good surfer now?

**Olivia:** I'm OK, I think. When it was windy I fell into the water.

**Interviewer:** What else did you do?

**Olivia:** Oh, one day we went for a very long walk.

**Interviewer:** Sounds good.

**Olivia:** Well, my brothers and I don't like going for long walks. Walks are so boring! ...  
And then we couldn't find our way home!

**Interviewer:** You couldn't find your way home?

**Olivia:** We didn't know where we were and didn't know where to go.

**Interviewer:** What did you do?

**Olivia:** After two hours we met a girl. She took us to her farm.  
Her parents were very friendly. They gave us something to eat and drink.

**Interviewer:** So how did it all end?

**Olivia:** We all played with their dog, Keira. She liked to play catch the ball with us.

**Interviewer:** And how did you get home?

**Olivia:** The farmer took us home in his car.
