## Lesepässe

W

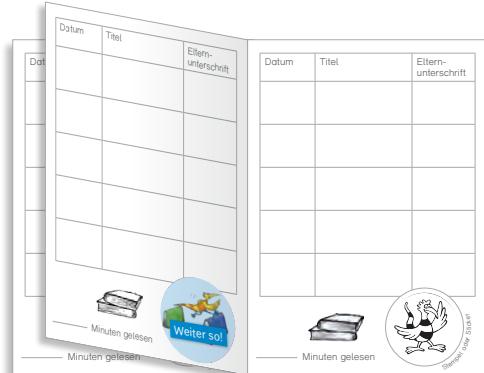

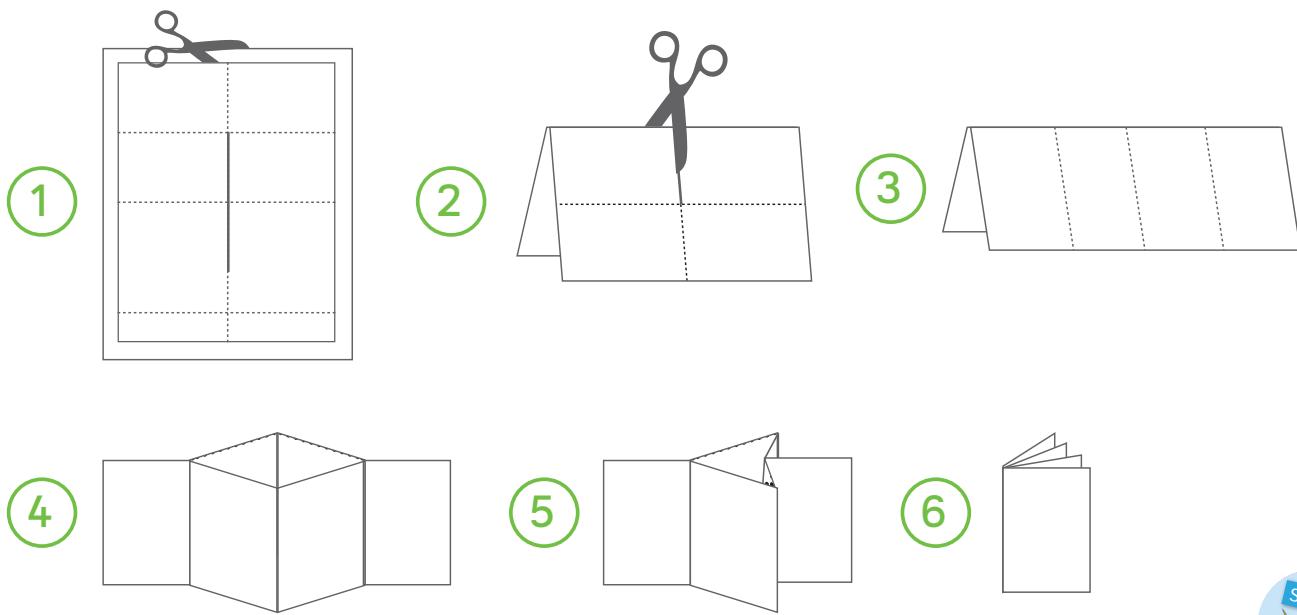

Zu jedem Lesepass  
gibt es die  
passende Urkunde.

Und so wird der Lesepass gebastelt:

- 1) Lesepass ausdrucken und entlang der durchgezogenen Linie ausschneiden
- 2) Anschließend in der Mitte falten und von der geschlossenen Seite aus in der Mitte bis zur Faltkante einschneiden
- 3) Das Papier nun der Länge nach falten.
- 4) Das Papier von rechts und links gleichmäßig zur Mitte hin schieben. Dadurch entsteht eine rautenförmige Öffnung in der Mitte.
- 5) So lange weiter schieben, bis die Seiten des Buches entstehen.
- 6) Fertig ist der Lesepass.

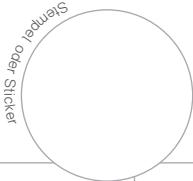

Hier haben die Karibu-Motivationssticker Platz (9692 682)

oder auch die Karibu-Motivationsstempel (978-3-14-129314-2)
