

1 **Brendon's timetable**

Hi, I'm Brendon. My school day always starts with registration at 7.30. I have got twenty-four lessons a week. There are breaks at five past ten and at quarter to one. I've got eleven subjects and every lesson is fifty-five minutes long.

On Mondays I have got ICT, history, RE and maths. On Tuesdays, it's music, art and PE. I like maths and PE. They are my favourite subjects. My maths teacher is really cool. I like science very much. I have got two science lessons on Wednesdays. On Thursdays we have history. I don't like it very much. I think it's boring. In the lunch break I eat and then I play football. In the afternoon, lessons start at quarter past two. School finishes at 3.30 in the afternoon.
