### 6 Tourists in New York

Anna: Hi. Do you like visiting New York?

Chris: Visiting New York is great fun. We enjoy walking through the streets and looking at all the skyscrapers. Seeing all the different people travel here from all parts of the world is just absolutely amazing.

Anna: Do you like shopping?

Chris: Oh yes, we do. We are fond of looking for things to take home. My dad enjoys hunting for souvenirs, and mom takes great interest in finding vintage clothes from the 1970s.

Anna: Have you got plans to visit Coney Island?

Chris: No, not really. Mom hates going to amusement parks and my little brother prefers visiting the Museum of Modern Art. He is a little artist himself – he is really good at painting faces.

Anna: Then you should visit the Metropolitan Museum! They offer tours that include an art lesson. Maybe all of you would like to practise drawing.
