

## 2 Lucy and Sophia

**Lucy:** Hi Sophia. How are you?

**Sophia:** Hi Lucy. I'm fine, thanks. What's up?

**Lucy:** Can you give me your new mobile phone number, please?

**Sophia:** Sure, I can. The number is 0135 679 76 89 3.

**Lucy:** Wait a moment ... Can you say it again, please?

**Sophia:** Of course. It's 0-1-3-5-6-7-9-7-6-8-9-3.

**Lucy:** Thank you. I have also got a new mobile phone.

My new number is 0171 443 87 90, that's 0-1-7-1-4-4-3-8-7-9-0.

**Sophia:** Thanks, I've got it. Have you got Harry's number, too?

I'd like to phone him, but I haven't got his number.

**Lucy:** Harry's number ... Yes, here it is: 0237 998 04 89. I repeat: 0-2-3-7-9-9-8-0-4-8-9.

**Sophia:** Thanks. That's great.

**Lucy:** You're welcome. Now, can you give me Oliver's number?

**Sophia:** No problem. Oliver lives in Liverpool, right?

So it's 0151 for Liverpool and then 467 90 86 71. That's 0-1-5-1-4-6-7-9-0-8-6-7-1.

**Lucy:** Perfect. Thank you.

**Sophia:** You really like Oliver, don't you?

**Lucy:** Sophia ... Stop it!
