

7 On the radio

- Jerry:** Hello, good morning, this is Jerry Thompson from BC Radio. It's 7 o'clock.
This morning I am going to talk about breakfast. I talked to four different people and asked them about their mornings: When do they get up? What do they have for breakfast?
Here is what the famous film star Daniel says:
- Daniel:** I get up at 8 o'clock. I like to have an English breakfast with toast, sausages, eggs, some cornflakes and fruit. I drink a big cup of tea and a glass of orange juice.
- Jerry:** Now we know why he is so famous! Because of all the power he gets from breakfast.
The next person is the famous singer Annabelle. That's what she said:
- Annabelle:** Well, I usually get up at half past seven and my breakfast is one cup of tea and a lot of water.
That's all. I'm usually not hungry in the morning.
- Jerry:** So that is why she sings so beautifully. What does my next interview partner, the famous teenage star Justin have to say about his mornings?
- Justin:** Hi, I'm Justin and I have a really late start. After a concert I need to sleep late.
I get up at half past twelve and my breakfast is usually just a cup of tea and toast with jam.
- Jerry:** The last person this morning is Mr Miller. He is an English teacher at Haverstock School.
So, Mr Miller what about your mornings? When do you get up? What do you have for breakfast?
- Mr Miller:** Well, Jerry, I usually get up very early because I live a long way away from school.
I get up at half past six. Then I have some orange juice and a nice hot cup of tea.
I eat eggs on toast and three sausages. That helps me start my day.
- Jerry:** Sounds great! Now let me say a big "thank you" to all of you and to all my listeners.
Have a wonderful morning and I'll see you again soon.
