

12 School clubs

This is *Radio Richmond School*. It is the start of the school year. Here is some information about the school clubs we have here at our school.

Now, if you like acting, films and theatre, then join the drama club. This year we will make a film about Sherlock Holmes and a play called *Romeo and Juliet*. That's Shakespeare, you know. The drama and film club meets at the auditorium at 3.30 on Tuesdays. For more information see Mrs Kimberly.

Do you like sports? And playing in a team? Then our football club is the right thing for you. Just come along and train with us. Wednesday afternoon, from 4 - 6 pm on the sports ground. If you have any questions, just talk to Mr Bold. He is one of our PE teachers.

Need help with your homework? Hate doing your homework at home? Then come to the homework club and do it right before school starts. You can get some help, too. Just come along. It's open from Monday to Friday from 7.30 - 8.30 am.

Last but not least, if you want to learn more about computers, then the ICT club is perfect for you. But be careful. The ICT club is not about playing computer games. We meet in room 2.15 every Friday. Talk to Mr Minnis if you want to join.
