

19 Sarah's dream birthday party

Hi, I'm Sarah. Let me tell you about my dream birthday party. I invite all my friends from school and from my football team and I have some really cool invitation cards. The party starts in the afternoon and goes on until ten at night. First we have a big party in our garden, with lots of food and of course lots of music and dancing. Then we play party games and in the evening my family – that's my grandparents, my uncles and aunts and my fifteen cousins – join the party. Of course, everybody brings fantastic presents, for example DVDs, cool T-shirts or interesting books, and my two best friends sing a birthday song for me. How sweet is that. In the evening we look at old photos and watch films. Films showing me and my friends ... It's really funny to see me as a baby, as a little child, with my football team, with my family and friends, on class trips and all that. We can also watch a film we made at the film club. It's a comedy and my favourite cousin is in it, too. At the end of my party all my friends get little presents from me.
