

2 Sophia's holiday

Hi, I'm Sophia. When I go on a summer holiday, I usually pack my green trousers and a yellow T-shirt. Of course I also pack a dress and a skirt because it can be very warm on a summer holiday. And I pack a sweatshirt and a jacket because it can be cold in the evenings. What else do I pack? Oh, I know. I pack my trainers because I love doing sports on a summer holiday, and my sunglasses for sunny weather. That's all, I think.

Now I'm really looking forward to my next summer holiday!
