

## Caroline and the animal quiz

**Gillian:**

It's raining outside. I'm so bored. I don't want to listen to music. I don't want to watch TV. What can we do?

**Caroline:**

I've got an idea! Let's play an animal quiz. I describe an animal and you have to say the animal's name. Ok?

**Gillian:**

That sounds like fun. You start.

**Caroline:**

Let me think. Ah! It is very soft. It has got a long tail. You can't hear it when it walks. It eats mice.

**Gillian:**

It's a cat!! That is easy. Now it's my turn. It lives in Asia. It doesn't live in Africa. It is bigger than a lion. It doesn't like people. It eats meat.

**Caroline:**

Oh, that is difficult. Can you say more about it?

**Gillian:**

It is a kind of cat. And it has stripes ...

**Caroline:**

I've got it. It's a tiger!!!

**Gillian:**

Well done. Alright. It's your turn again. Make it really difficult this time, ok!

**Caroline:**

My animal lives everywhere in the world.

**Gillian:**

Come on ...

**Caroline:**

Some people are really scared when they see it. I think it is a vegetarian, but I don't know for sure. It's a famous animal you can see it in films.

**Gillian:**

What colour is it?

**Caroline:**

Usually it is grey or brown. The filmstar version is black.

**Gillian:**

Is it a horse? Or a cow?

**Caroline:**

It's not a horse and it's not a cow. It is very small and elephants are also scared of it.

**Gillian:**

I have got no idea.

**Caroline:**

The movie one is called Mickey.

**Gillian:**

It's a mouse!!! It's me again. It lives in the ocean ...
