

Exercise 3.8: Professional expenses

Kurt Baumler works in sales at game.area. He is married and has a child. Last year, he took part in a four-day sales training programme in Salzburg (departure Thursday 6:00 a.m., return Sunday 8:00 p.m.). He incurred the following (gross) costs:

Course fee: € 2,200.00

Train ticket: € 88.00

Accommodation costs: € 285.00

Your task:

Determine the total amount of professional expenses he incurred.
