

# Our senses: In touching distance

After school, four children are standing in the playground with their bikes. They are talking about things they like and things don't like to touch.

Read the clues and find out:

Who would never touch snakes? .....

	first bike	second bike	third bike	fouth bike
colour of the bike				
would never touch				
likes to touch				
name				

- 1) Sophie's bike is purple.
- 2) Ted is standing behind his black bike.
- 3) The child who likes to touch rabbits would never touch spiders.
- 4) Judy is standing between Ted and the child with the red bike.
- 5) The child with the green bike likes to touch warm sand on the beach.
- 6) The girl next to Barnie likes to touch silk but she would never touch frogs.
- 7) The first bike is black.
- 8) Barnie would never touch big black bugs.
- 9) One child likes to touch cats.

It is lucky to touch me!
