16.

Exercise 1:

Can you find the egg with dots? Point onto it with your finger. What number is it? -16

Now look for the egg with stripes. Point with your finger.
What number? - ... etc.

Ähnlich die anderen eggs erfragen und suchen lassen.

Please, find the egg with: dots (16), stripes (6), zigzags (9), waves (3), waves and zigzags (14), the one-coloured egg (8), zigzags and dots (2), dots and stripes (12), stripes and waves (5), dots and waves (10), zigzags and stripes (11), the egg with one big dot (13), dots + stripes + waves (1), dots + stripes + zigzags (15), dots + waves + zigzags (4), stripes + waves + zigzags (7)

Exercise 2:

Please, get your coloured pencils. Listen!

What pattern has egg number 6 ? - Stripes. / It has stripes.

Now colour the stripes green and orange, please. - Kinder malen an.

What pattern is on egg number 13 ? - A big dot. / It has ...

Good, colour the egg yellow and the dot orange.

What pattern has egg number 11 ? - Stripes and zigzags. / It has ...

Okay, the stripes are red and blue. And the Zigzags are yellow.
etc.

So können die Eier weiter coloriert werden. Am besten das eigene Exemplar des ABs vorher anmalen. Dann geht auch die Kontrolle besser.

Exercise 3:

Mündlich Muster und Farben wiederholen.

Tell me, what pattern has number 3 ? - Colourful waves. Etc.

... It's a blue egg with yellow stripes and red dots.

Oder als Partnerübung, immer abwechselnd auf ein Ei zeigen und der Partner sagt Farbe und Muster.

Oder einer sagt Farbe und Muster (oder nur das Muster) und der andere nennt die Nummer des Eis.
